Subject: Robinson - Rescheduling deposition tomorrow

Sensitivity: Normal

Counsel,

My apologies for the late notice, I've had an emergent issue arise that will necessitate rescheduling tomorrow's deposition of Oscar Russell.

I am available to reschedule it for 3/11 or substitute him in place of the depositions we have set right now for 3/12 or 3/13 if that works better.

Again, I apologize for this unexpected conflict.

Thank you,
Annie
